

## THE RÉTROMOBILE SHOW WILL BROUGHT LIGHT TO THE CLASSIC POPULAR CARS WITH A DEDICATED SPACE

Collecting classic cars has always been seen a hobby for the wealthier members of society. But Rétromobile proves that in fact, the opposite holds true by carrying on **with its tradition of presenting cars that more people can afford**. Bugatti, Ferrari, Porsche... are the brands that have shaped automotive history. However, a world away from a Bugatti Royale or a Porsche 911, many other old models are available for sale at very reasonable prices. This automotives called «popular» are for many people a way to reliving childhood memories or precious moments.

For the 2018 edition, Rétromobile will be bigger than in previous years by featuring in the Hall 3 a dedicated space where professionals and individuals can exhibit and sale vehicles worth €25,000 (including VAT) or less.

The package includes an unfitted area of +/- 12.5 m<sup>2</sup> for the five days of the show, together with an exhibitor's entry badge for a total tariff of €404 including VAT (€270 excl. VAT + €80 automatic insurance)

Since this package is for both professionals and individuals, it is possible to consult the exhibitor area on the [internet website](#) or contact [Emmanuel Cohédali](#), exhibition manager for more information about it.
