

THE “GRANDES HEURES DE L’AUTODROME” PRESENTED ON THE FAMOUS WALKWAY OF THE RETROMOBILE SHOW

An essential pit stop between Pavilions 1 and 2, every year, the Rétromobile walkway transports visitors to the world of motor racing. Building on the success of the “Group B - 30 years already!” exhibition in 2017, Rétromobile and Les Grandes Heures Automobiles have once again teamed up for an exhibition inspired by the records broken at the Autodrome de Linas-Montlhéry - a legendary racing circuit on the outskirts of Paris.

An exhibition focusing on the “Grandes Heures de l’Autodrome de Linas-Montlhéry”, a legendary race circuit close to Paris, will be organised at Rétromobile. This circuit and its 51° bends have set the scene for multiple record-breaking performances since it opened in 1924, with more than 1,000 automotive, motorcycle and cycle records beaten over the decades.
